Every Gasmate barbecue is designed to provide maximum performance and durability. You will find features that make your BBQ perform better, last longer and allow you to enjoy the outdoors much easier.

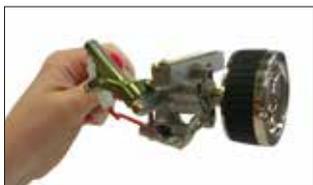

Satin enamel cast iron grill and reversible hotplate – giving you maximum versatility when cooking. The grill gives you perfect grill marks while the reversible hotplate is grooved to capture juices for continuous basting while cooking.

Cast iron burners with individual controls – give a consistent flame from front to back, providing even and efficient heat distribution. The individual controls give you precise heat control, allowing you to set your BBQ to the perfect temperature.

Stylish stainless steel fascia – looks good and is easy to clean.

“Sure-fire” rotary piezo ignition system – offers you peace of mind knowing that your BBQ will start with a push and twist.

Useful temperature gauge in the roasting hood allows you keep a precise check on the temperature in the BBQ.
